

10th Southern Hemisphere Conference on the Teaching and Learning
of Undergraduate Mathematics and Statistics
22 – 27 November 2015
Port Elizabeth, South Africa

This is the first announcement of **Elephant Delta**

The Tenth Southern Hemisphere Conference on the Teaching and Learning of Undergraduate Mathematics and Statistics

The conference will be held **22 – 27 November 2015**, in **Port Elizabeth, South Africa**. The venue is the **Boardwalk Hotel** and the conference, the tenth of its name, promises to be as good as its predecessors. Our theme of

Think Big!

will no doubt inspire much interesting discussion of the great challenges facing mathematics and statistics educators.

We look forward to hosting engaging keynote speakers as well as many delegates from around the world. We welcome our Northern Hemisphere colleagues and friends while retaining a Southern Hemisphere identity.

Please be aware of the following important dates:

30 March 2015: Final date for submission for full refereed papers in the special edition of IJMEST

21 August 2015: Final date for submission of full papers for the Conference Proceedings

28 August 2015: Final date for submission of abstracts for posters and for abstract-only presentations.
